DEADLINE FOR ABSTRACTS SUBMISSION 15TH OF APRIL
15th MPU CONGRESS
<http://mpucordoba.mpunion.eu/>

Dear Colleagues,

On behalf of the Mediterranean Phytopathological Union we are pleased to invite those who want to present a communication at the 15th Congress of the Mediterranean Phytopathological Union to submit their abstract. The final deadline for abstract submission is the **15th of April 2017**.

Please note that only registered participants can submit one or more abstracts. To register to the 15th MPU Congress “Plant health sustaining Mediterranean ecosystems” please visit <http://mpucordoba.mpunion.eu/>

Abstracts should be submitted via the dedicated website:

<http://mpucordoba.mpunion.eu/abstracts/>

Please follow exactly the format of the template provided on the website (maximum length 250 words, presenting author underlined) and indicate up to 2 session areas. All submitted abstracts will be evaluated by the Scientific committee and selected as oral or poster presentations.

Poster awards will be given for the best poster presentations by graduate students or young postdocs. The judging criteria are based on both scientific merit and on clarity of presentation. Award winners will be announced on Thursday, June 22. To participate in the awards, remember to check the appropriate box on the submission form.

We are looking forward to seeing you all in Córdoba.
